

Town of Grande Cache

RE: Garbage Collection, Removal, and Disposal

- A. Removal of garbage, ashes, and non-combustible rubbish shall be done once each week in residential areas.
- B. All householders shall provide a sufficient number of garbage containers and every householder shall maintain these in proper order and repair for the purpose of storing and putting out for collection of garbage. These regulation size containers shall be constructed of galvanized metal or plastic and must have a tight fitting lid and have suitable handles for ease of handling. The maximum weight shall not exceed 35 kg (75 lbs). The lids of containers must remain on except for the operation of filling and emptying.
- C. Garbage containers shall not be left at the front street except on garbage collection day.
- D. No collection of any trade wastes or material being waste or residue will be collected from the erection, alteration, or removal of any building or parts thereof, but all such materials shall be conveyed by the owner at his own expense to the Town waste disposal grounds.
- E. Residents are reminded that the Commercial/Industrial bins are private property and the dumping of any refuse is not permitted.
- F. The laneways, parks, and green areas area also Town property and the dumping of grass or other refuse is prohibited.
